As Pastor I recognize the following and will comply with same:

Safe Environment Training and Criminal Background are mandated for all Designated Persons (adults who have some type of regular contact with minors) every five (5) years.

Safe Environment Education is mandated for every minor enrolled in parish programs. This training must take place in late September through October 18th, 2009 during the Safe Environment Period and in the regularly scheduled classes, and as needed to ensure all minors receive such training.
